

EasyReport license removal manual

This function is used if you want to remove a license from one computer and install the license on another computer.

The function is supported starting with EasyReport v13.4

If you are using an older version of the program, you must first install the latest version (**Help -> Check updates**).

To remove a license you must complete the following steps:

1. Prepare your Activation code.

Activation code can be found on the website soft.sensmax.eu, by login to your license activation page.

To remove a license, you must have **License Nr** and **Password**:

The screenshot shows the SensMax Activation Center interface. It displays a table of active licenses for order ID 3322. The license details are as follows:

ID	Program name	Date	Licenses	Serial number
3322	SensMax EasyReport	17/08/2018	1 / 1	

Below the table, a status message reads: "Status: 1 of 1 licenses currently activated for this order." A detailed table shows the license information:

Site code	Machine ID	Activation code	Note	Activated	Expires
9D10346F	A42B-3185-AC99-B8DD	C2B05020-3E5EB753-B85F60AF-475E1E27		17/08/2018	N/A

2. Run the utility License Removal EasyReport.

The utility is in the **Start -> SensMax -> EasyReport**

3. In the opened window you need to select **Remove license**, enter your **Activation code** and press **Continue**.

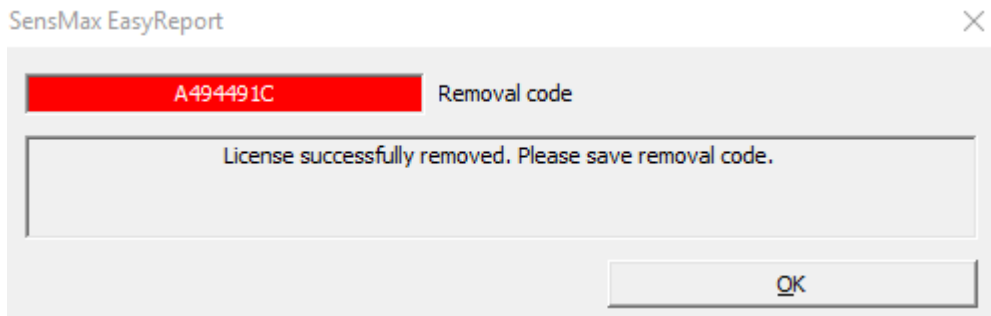

The screenshot shows the SensMax EasyReport utility window. It contains the following fields and controls:

- Site code:** 9D10346F
- MID:** A42B-3185-AC99-B8DD
- Activation code:** C2B05020-3E5EB753-B85F60AF-475E1E27
- Remove license:** Selected (radio button).
- Enter application:** Unselected (radio button).
- LICENSED:** Button.
- Buttons:** Cancel, Continue >>
- Language:** English (dropdown menu).

Red arrows and numbers 1 and 2 indicate the steps: 1 points to the 'Remove license' radio button, and 2 points to the activation code text field.

- The following window will show the **Removal code**. Please keep this code, it will be required in the future.

Click **OK**.

After these actions the license will be removed from your computer. You will no longer be able to use the program on this computer (you will need to re-activate the license).

- Now you need to delete the license in the activation center. Go to the website soft.sensmax.eu, and enter **Removal code**, obtained in the previous step.

Status: 1 of 1 licenses currently activated for this order.

	Site code	Machine ID	Activation code	Note	Activated	Expires	
	9F70346F	3185-AC99-B8DD	C2B05020-3E5E8753-B85F60AF-475E1E27		17/08/2018	N/A	

Removal code
A494491C

Remove license Status: Please enter valid removal code for original license.

After completing all these steps, your license will be deleted. Now you can activate the license on any other computer.
